The screenshot displays the CG Fintech user interface. On the left is a dark sidebar with a 'TRADER'S MENU' containing options like 'Accounts', 'Funds', 'Deposit Funds', 'Withdraw Funds', 'Transfer Funds', 'Transactions History', 'Payment Details', 'Profile', 'Downloads', and 'Economic Calendar'. Below this is an 'IB MENU' with 'Request IB'. The main content area is titled 'Home / TRADER'S MENU / Funds / Payment Details'. It features a form for 'Upload Payment Details' with fields for 'I want to upload' (set to 'Bank Details'), 'Bank Account Holder', 'IBAN', 'Recipient Bank Name', 'Recipient Bank Address', and 'Recipient Bank Swift'. A dropdown menu is open under 'I want to upload', showing options: 'Bank Details' (selected), 'Cryptocurrency - USDT, BTC, ETH', and 'Wire Transfer'. A red box highlights these options, and a red arrow points to the 'Bank Details' option. Below the form is a green 'Upload' button. To the right, a table titled 'Uploaded Payment Details' shows one entry: 'Wire Transfer' with details '2356788234' and status 'Approved', with a red 'Remove' button next to it. The top right of the page shows user information 'Gabriela Peratello / 10061' and links for 'Messages', 'Help Desk', and 'Logout'. At the bottom right, it says 'Powered By EXBackOffice 62915-2624'.

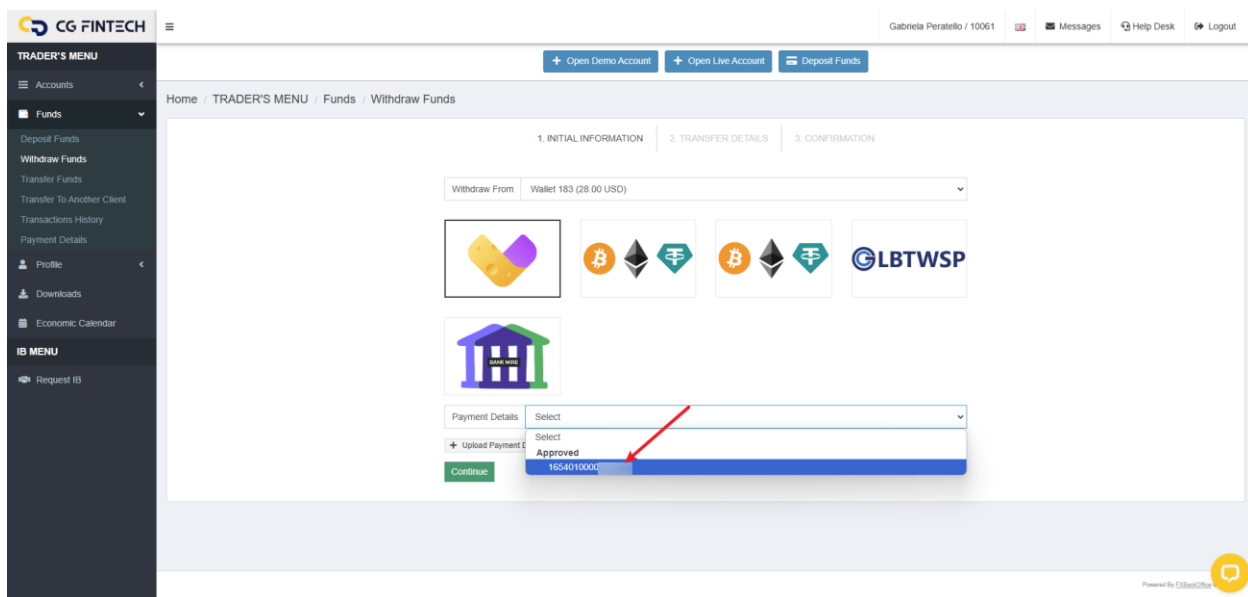

After the payment details are approved, you may initiate a withdrawal process according to your preferred method.

Local Bank Transfer

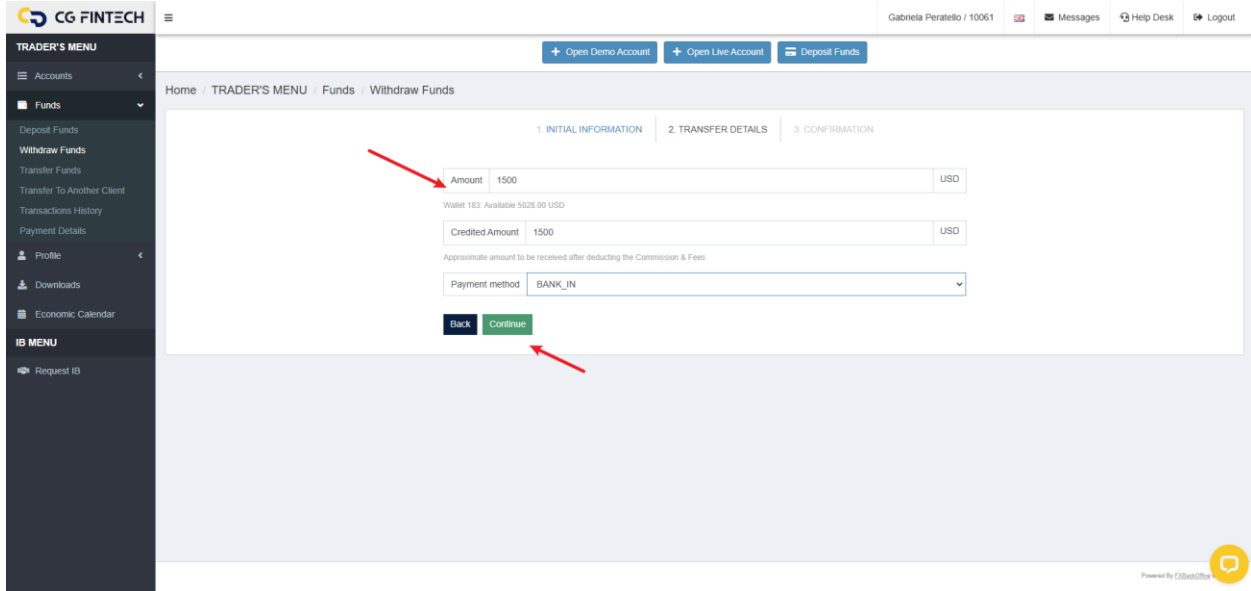

On the left sidebar, click on **Funds**. Select **Withdraw Funds** from the dropdown menu (as indicated by the red arrow in the image). Choose the local bank transfer you would like to withdraw.

After choosing the payment gateway, choose or upload payment details that would like to receive the fund.

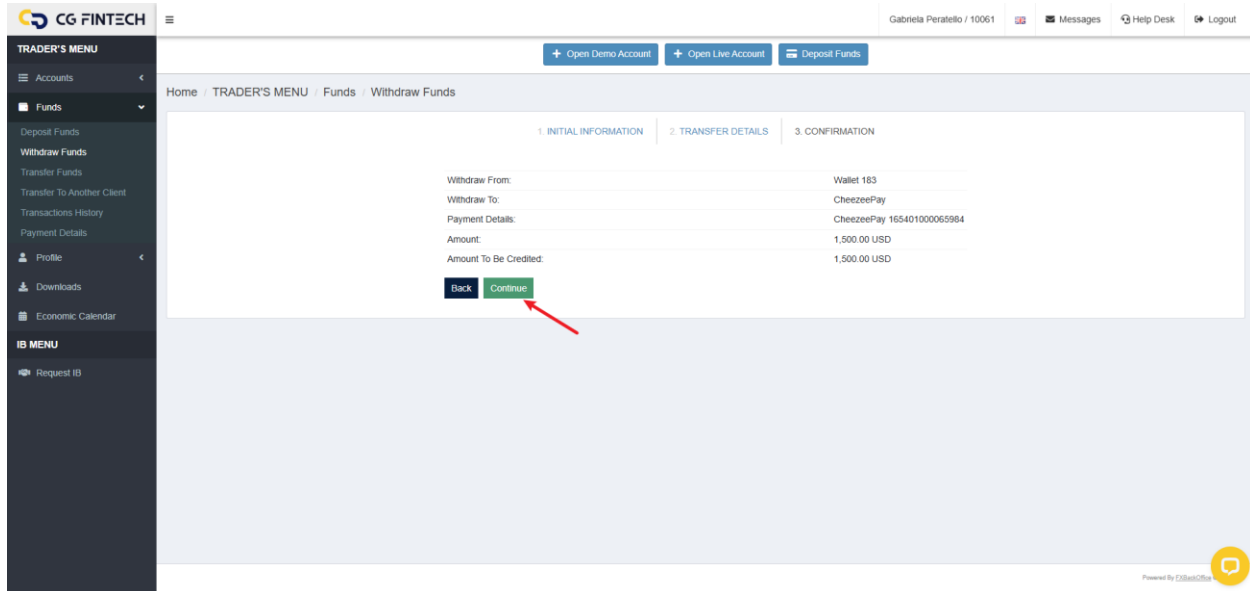

Fill in the amount would like to withdraw and then click on **Continue**

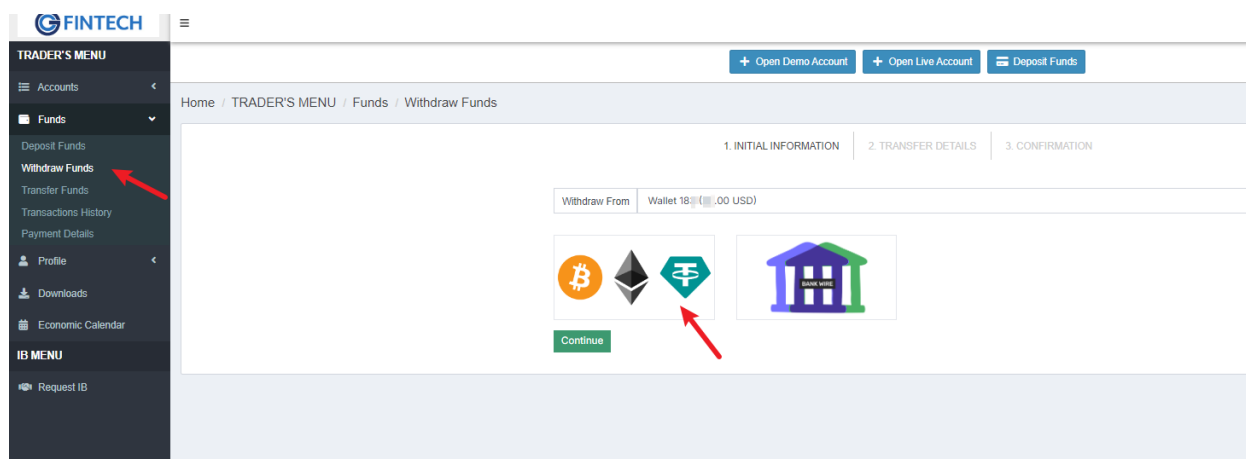

The screenshot displays the 'Withdraw Funds' interface. At the top, there are navigation links: '+ Open Demo Account', '+ Open Live Account', and 'Deposit Funds'. The breadcrumb trail is 'Home / TRADER'S MENU / Funds / Withdraw Funds'. The page is divided into three steps: '1. INITIAL INFORMATION', '2. TRANSFER DETAILS', and '3. CONFIRMATION'. The 'Amount' field is set to '1500' with 'USD' as the currency. Below it, the 'Credited Amount' is also '1500' USD. A note states: 'Approximate amount to be received after deducting the Commission & Fees'. The 'Payment method' is set to 'BANK_JN'. At the bottom of the form, there are 'Back' and 'Continue' buttons. A red arrow points to the 'Amount' field, and another red arrow points to the 'Continue' button.

Confirm the payment details and amount would like to withdraw then click on **Continue**. Then order will be success submit and pending for review.

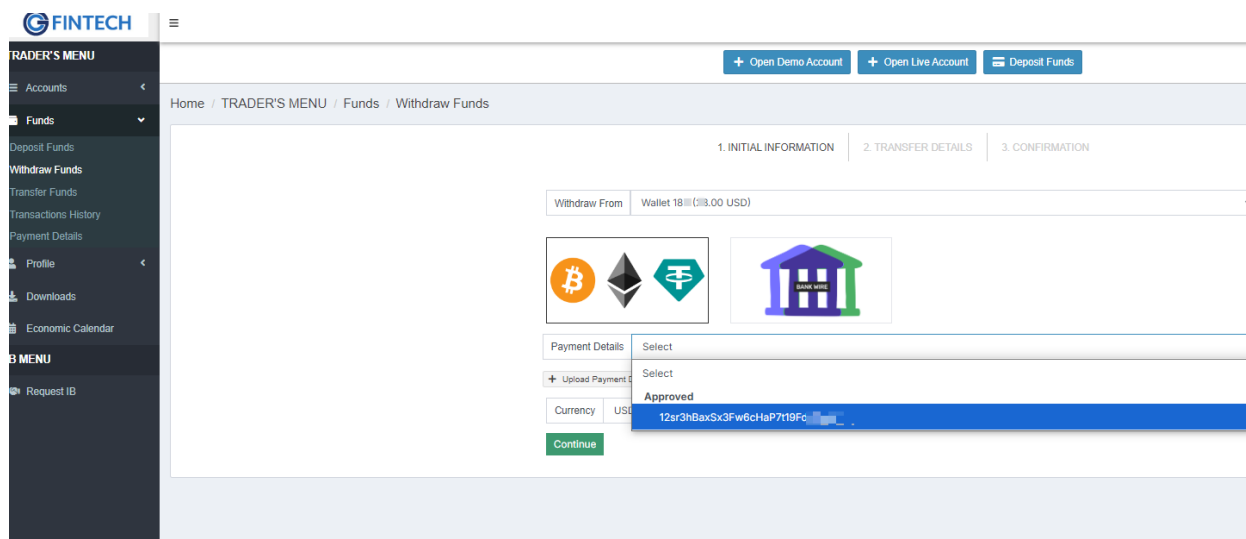

Cryptocurrency

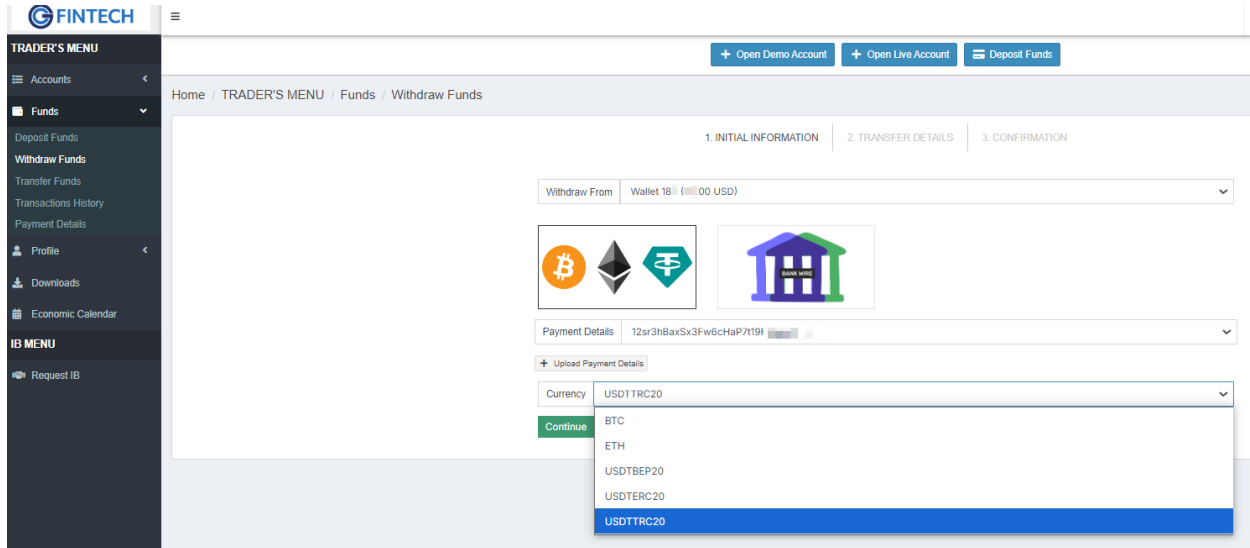

On the left sidebar, click on **Funds**. Select **Withdraw Funds** from the dropdown menu (as indicated by the red arrow in the image). Choose the wallet from which you want to withdraw funds under the "Withdraw From" field. Click on the cryptocurrency option (the icons for Bitcoin, Ethereum, USDT)

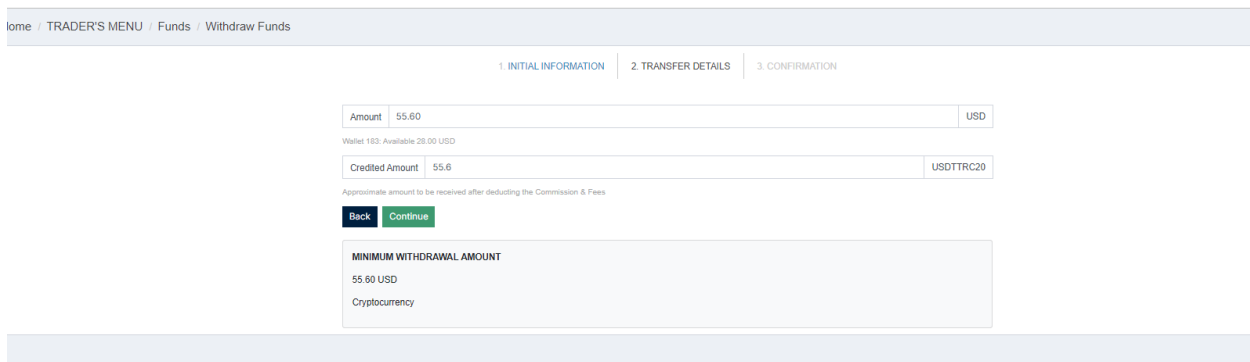

A dropdown menu labelled "Payment details" will appear, select the wallet address that has been added and approved in the section.

Click on the dropdown menu to see available cryptocurrency options (e.g., ETH, USDTBEP20, USDTERC20, USDTTRC20, BTC). Once the desired cryptocurrency is selected, click the "Continue" button to proceed with the withdrawal process.

In the "Amount" field, enter the amount that you want to withdrawal into your account. The "Credited Amount" section shows the approximate amount in cryptocurrency that will be credited to your wallet. Click "Continue" button to proceed for the next step.

Confirm the information and click the "Continue" button again. We will process the withdrawal request accordingly.
